Serviços

Perfuração, gravação de estampas e rebaixo do couro para projetos inovadores.

Gravação de Estampa

Transforme superfícies em composições exclusivas com mais de 400 estampas. Do clássico croco às texturas de iguana, cobra, zebra, tricê e muitas outras.

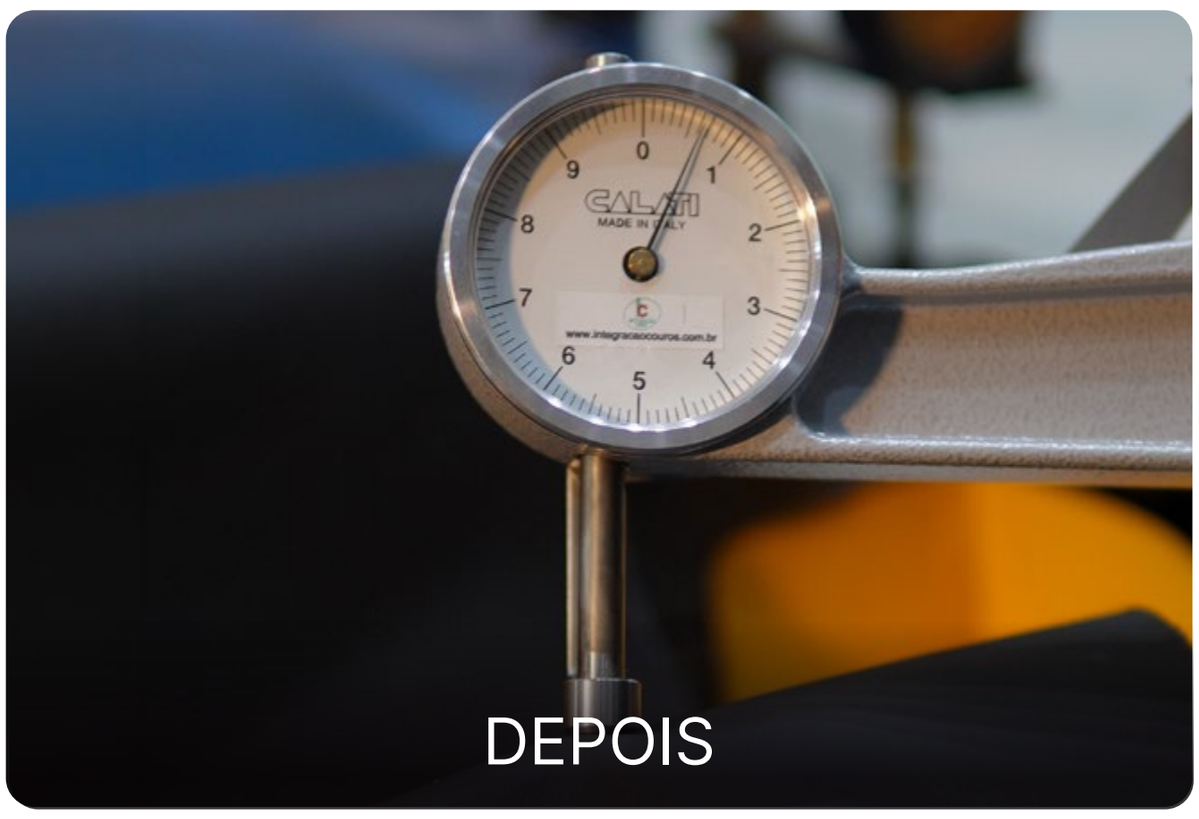

Rebaixo do Couro

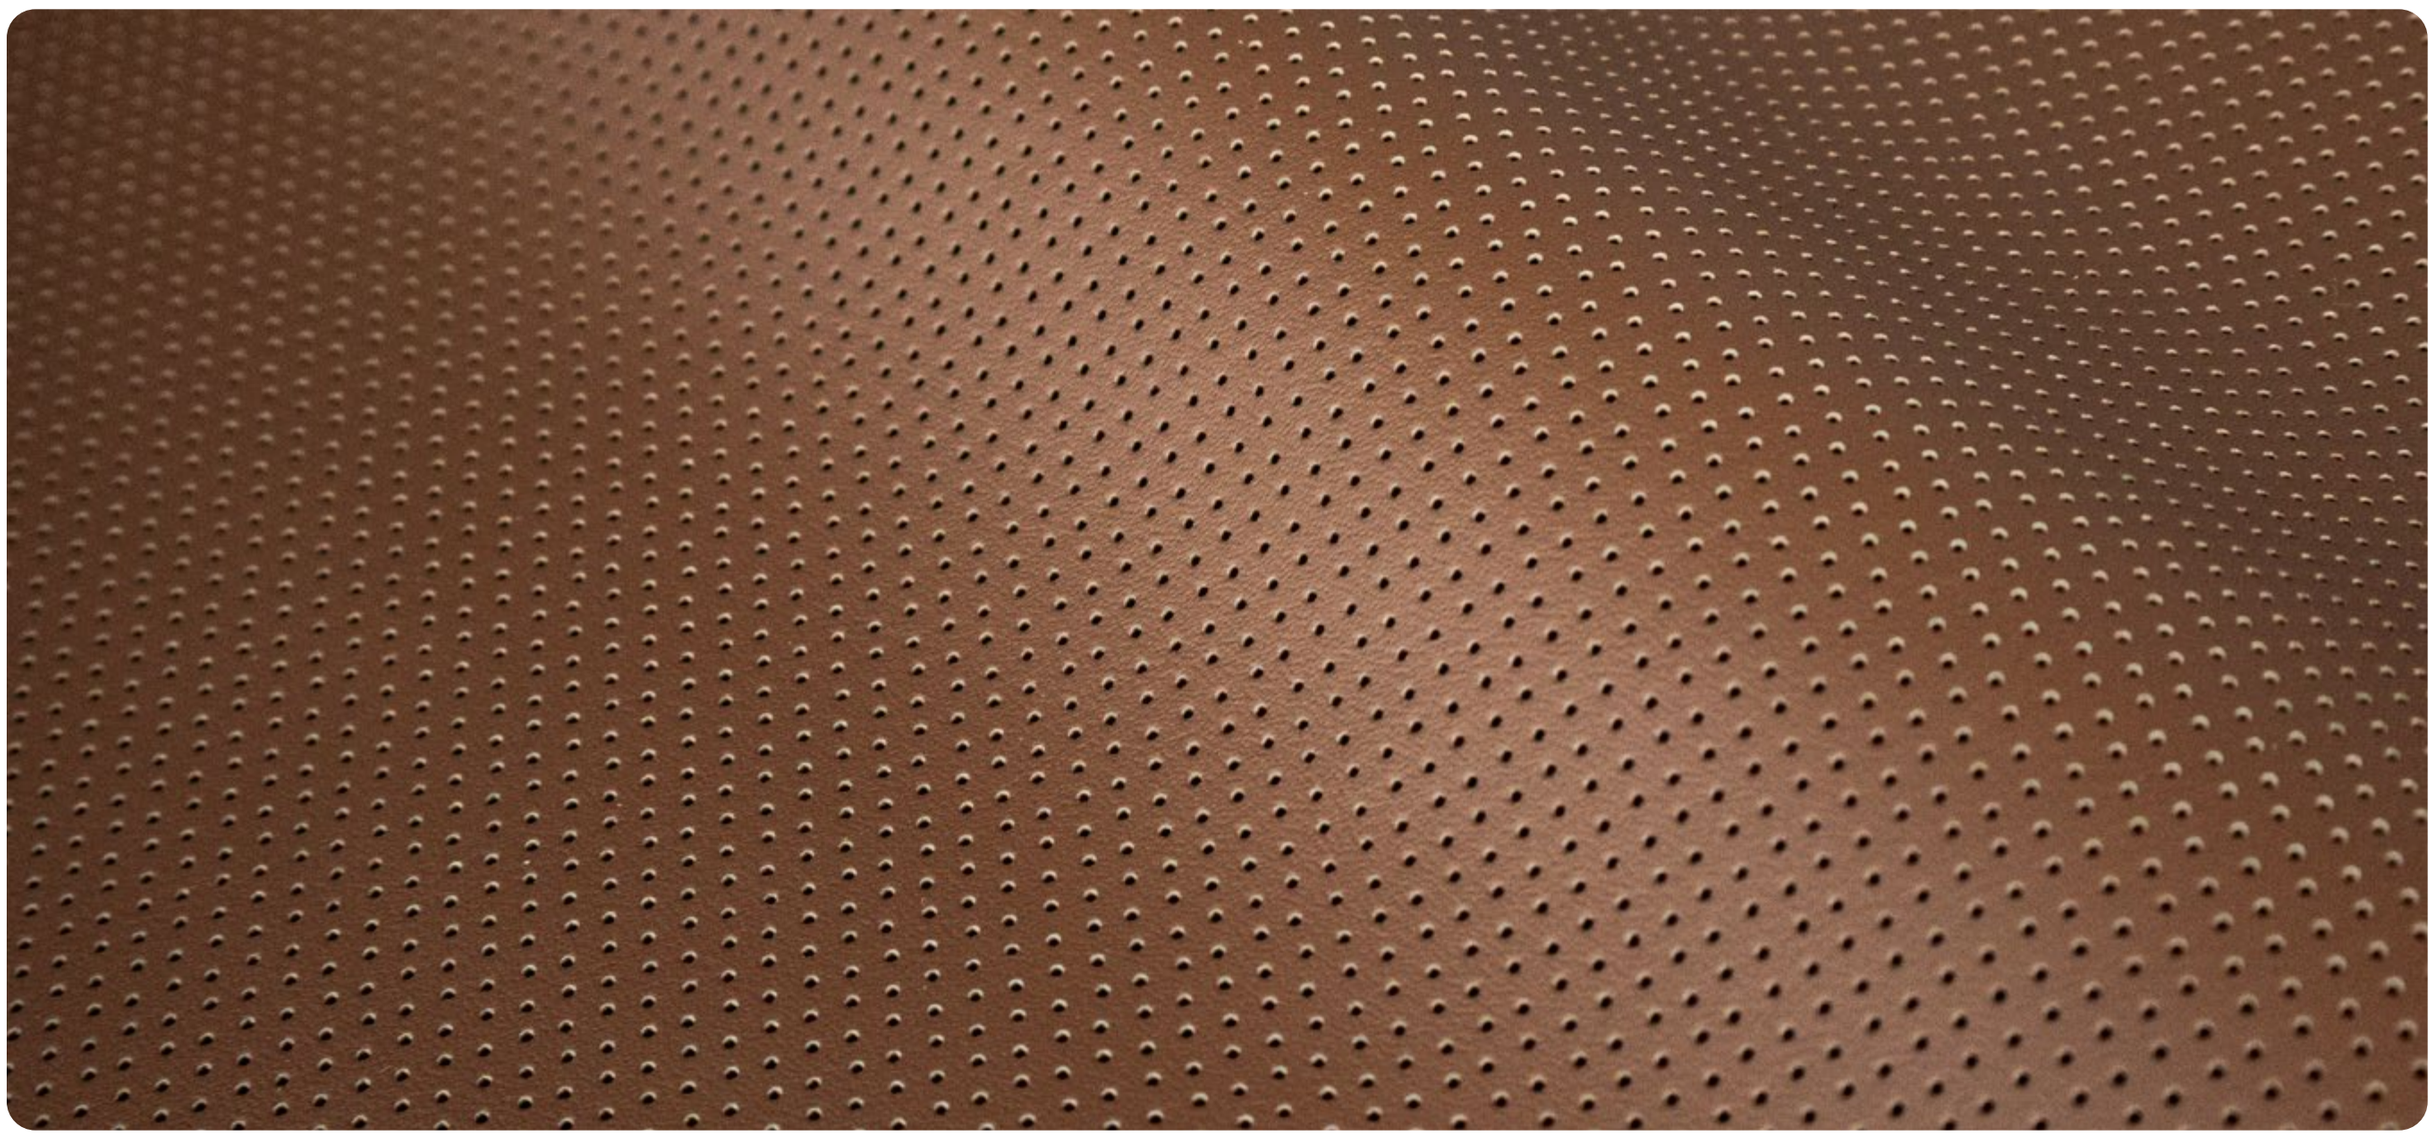

Espessura ajustada para atender às exigências de cada projeto, preservando seu toque, aparência e qualidade.

Perfuração Contínua

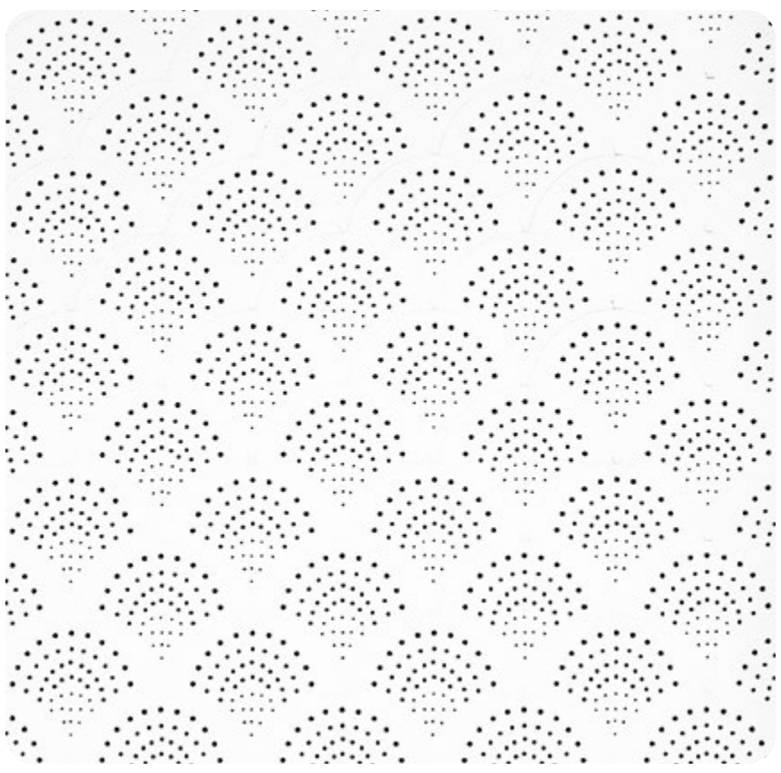

Ideal para bancos ventilados, painéis, volantes e outras aplicações em couro, Alcantara® e materiais sintéticos.

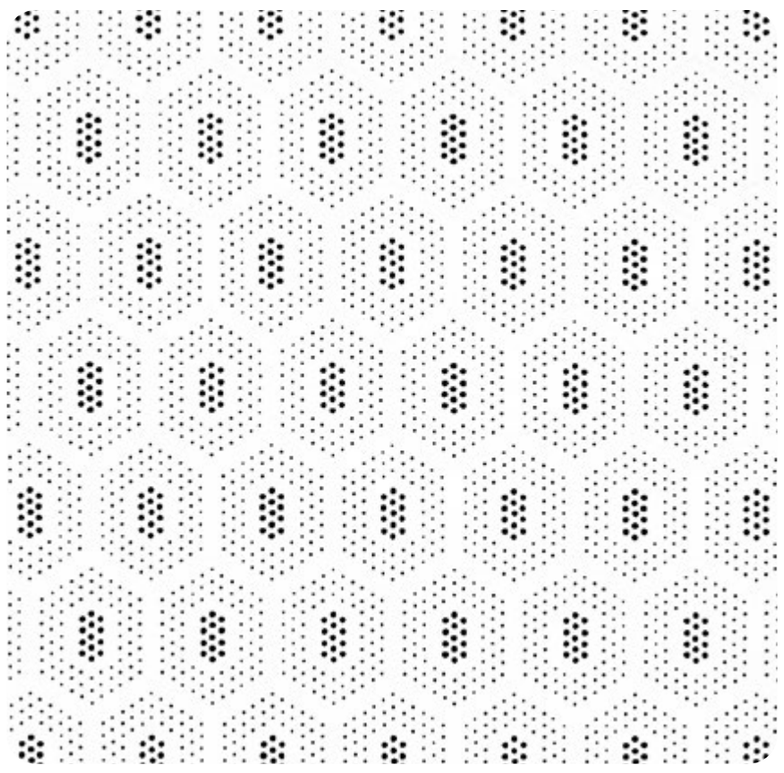

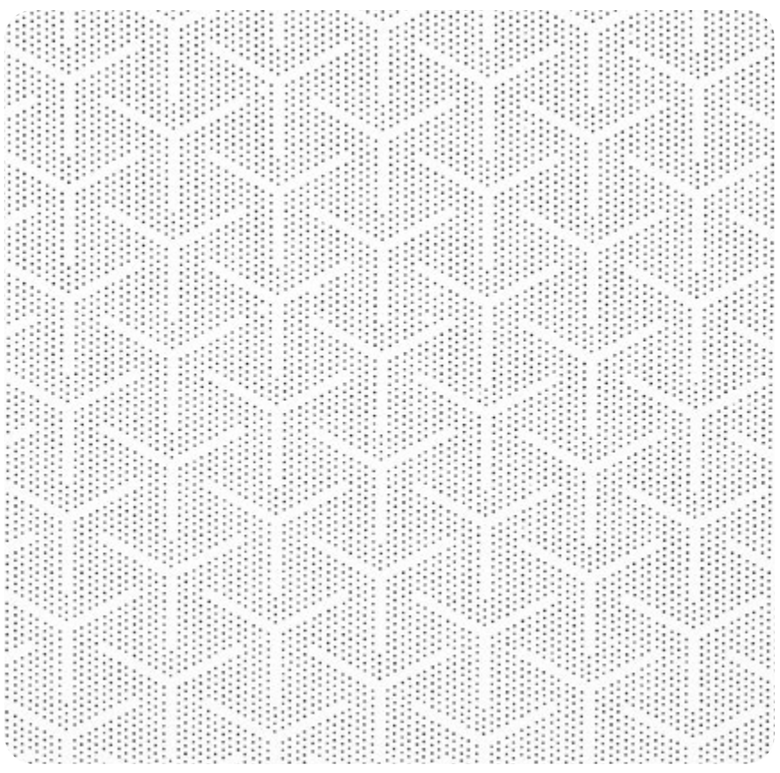

Perfuração Personalizada

Padrões encontrados em projetos de grandes marcas, além do desenvolvimento de desenhos exclusivos, com variações de furo, opções de diâmetro e linha-guia para costura. Aplicável em couro, Alcantara® e sintéticos.
